Docket No. 50-320

Mr. F. R. Standerfer  
Vice President/Director, TMI-2  
GPU Nuclear Corporation  
P.O. Box 430  
Middletown, PA 17057

Dear Mr. Standerfer:

Subject: Safety Evaluation Report for Sediment Transfer and Processing Operations

The referenced letter submitted a revision to the subject safety evaluation report (SER). The revision involves an increase in the original estimates of the man-rem exposure for the installation, operational testing, and operation of the system. We have completed our review of your submittal and concur with your conclusion that the revision does not impact any safety limits or conditions in the original SER and does not impact public health and safety.

Sincerely,

/s/ John A. Thomas for

William D. Travars  
Director  
TMI-2 Cleanup Project Directorate
