Dear Sir:

Three Mile Island Nuclear Station, Unit 2 (TMI-2)
Operating License No. DPR-73
Docket No. 50-320
EPICOR-II Operations

This will confirm our discussion of December 3, 1980, with you that, in view of adequate storage space now available for handling waste water resulting from continuing decontamination work, EPICOR-II will not be operated in the near future, unless there is some now unforeseen need for its operation.

In any event, you will be advised, in advance, of our plans to resume operation of EPICOR-II.

Sincerely,

G. K. Hovey
Vice-President and
Director, TMI-2
