Dear Sirs:

Three Mile Island Nuclear Station, Unit 2 (TMI-2)  
Operating License No. DPR-73  
Docket No. 50-320  
Solid Waste Staging Facility System Description

Pursuant to your letter dated February 4, 1982, GPU Nuclear has performed the annual review of the Solid Waste Staging Facility System Description and has determined that no update is required.

Sincerely,

F. R. Standerfer  
Director, TMI-2

cc: R. J. Conte - Senior Resident Inspector, TMI  
W. T. Russell - Regional Administrator, Region 1  
J. F. Stolz - Director, Plant Directorate IV  
L. H. Thonus - Project Manager, TMI Site
