Subject: NON-VIOLENT DEMONSTRATION PLANNED FOR MAY 18, 1984

A group calling themselves "The May 18th Mobilization" is planning a non-violent demonstration at Three Mile Island on Friday, May 18, 1984, starting at 9:00 a.m. The purpose of the demonstration is to commemorate and to refocus public attention on the May 18, 1982 referendum on restart of TMI-1, which took place in Dauphin, Cumberland and Lebanon counties in the vicinity of the facility. The referendum resulted in an overall vote of about 2 to 1 against restart.

The demonstrators, expected to number about 100-150, plan to trespass on owner controlled property to block the North and South accesses to the site, an act of civil disobedience. About 20-40 of the demonstrators are expecting to be arrested.

The leaders of the demonstration have discussed their plans with the State and Local police and have signed an agreement of non-violence. The licensee has discussed plans for coping with the situation with the State and Local police and will minimize site activities on that day to avoid any confrontations with the demonstrators.

Region I reviewed the licensee's plans and found them to be consistent with the NRC approved Security Plan for the facility and appropriate for the circumstances. Region I inspectors will be present to monitor licensee activities to maintain plant security and safety.

Media interest is expected and the TMI Visitors Center is being readied to accommodate media representatives. Various responsible agencies in the Commonwealth of Pennsylvania are aware of the event. The FBI has also been informed.

This PN is issued as notification in advance of a news media event and is current as of Noon, May 15, 1984.
