Subject: TMI-2 REACTOR BUILDING PURGE

Purging of the reactor building is scheduled to commence at 8:00 a.m. on June 28, 1980. Licensed preparations to implement the purge procedure are complete. Media interest is expected because of public concern for TMI related events. The Commonwealth of Pennsylvania has been informed. A press release is planned by Met-Ed. The NRC is not planning a press release. The NRC is responding to inquiries.

The NRC TMI Program Office staff has monitored licensed preparations in this area throughout the past week. The on-site staff will provide twenty-four hour shift coverage.

This preliminary notification is issued for information only and the information is current as of June 27, 1980, 5:00 p.m.
