NOTIFICATION OF EVENT OR UNUSUAL OCCURRENCE--PNO-TMI-82-20

This preliminary notification constitutes EARLY notice of events of POSSIBLE safety or public interest significance. The information is as initially received without verification or evaluation and is basically all that is known by NRC staff on this date.

Facility: GPU Nuclear Corporation
Three Mile Island, Units 1 and 2
Docket Numbers 50-289 and 50-320

Licensee Emergency Classification:
X Not Applicable

Subject: GAME POACHERS ON OWNER CONTROLLED PROPERTY

At approximately 11:30 PM on October 5, 1982, gun shots were heard coming from the south end of the island. Investigation by the site security force revealed several poachers (one was apprehended), two dead deer, a boat, and two rifles. The apprehended individual, the deer and the equipment were turned over to the State Police and the Game Commission.

There was no threat to the plant protected or vital areas at any time during the incident. Increased security patrols during the remainder of the night revealed nothing unusual.

Media interest will occur because the licensee plans to issue a press release. The NRC does not plan to issue a press release. The Commonwealth of Pennsylvania was informed.

This preliminary notification is issued for information only and no further action by the NRC is anticipated.

The NRC TMI Program Office received notification of this occurrence by telephone from the licensee at 12:35 AM on October 6, 1982 and this information was current as of 8:30 AM today. A 10 CFR 50.72 report was evaluated as not being necessary by the licensee at 2:00 AM on October 6, 1982.
