In the Matter of)

METROPOLITAN EDISON COMPANY, ET AL.)

Docket No. 50-320)

(Three Mile Island Nuclear Station,
Unit 2))

ORDER

On July 20, 1979 the Director, Office of Nuclear Reactor Regulation issued an Order suspending the licensee's authority to operate this facility and directing that, pending further order, the licensee maintain the facility in a shutdown condition in accordance with the approved operating and contingency procedures. The Order further provided that a subsequent order would be issued within about thirty (30) days addressing (1) the imposition of new and/or revised Technical Specifications setting forth appropriate license conditions and (2) the time in which the licensee may file an answer and persons affected by the Order may request a hearing in this matter. The new and/or revised Technical Specifications have not yet been completed. Accordingly, the period of time in which to issue that order is extended for an additional thirty (30) days.

It is so ORDERED.
