Docket No. 50-320

Mr. F. R. Standerfer
Vice President/Director, TMI-2
GPU Nuclear Corporation
P. O. Box 480
Middletown, PA 17057

Dear Mr. Standerfer:

Subject: Organization Plan Change No. 15

Reference: Letter 4410-87-L-0070, F. Standerfer to U.S. Nuclear Regulatory
Commission Document Control Desk, TMI-2 Organization Plan -
Revision 15, dated 5/1/87.

We have reviewed your proposed Revision No. 15 to the TMI-2 Organization Plan.
The proposed revision combines all activities related to defueling operations
under one organization and transfers some responsibilities from the Defueling
Support section to the Defueling Engineering section.

We find that the change will not eliminate vital positions or functions, and
it will not change the personnel qualification requirements for these
positions. We therefore approve your proposed organization plan revision 15.
Figure 1.2 as modified by the referenced letter should be substituted for the
existing Organization Plan Figure 1.2.

Sincerely,

ORIGINAL SIGNED BY:
William D. Travers
