Docket No. 50-320

Mr. F. R. Standerfer
Vice President/Director, TMI-2
GPU Nuclear Corporation
P. O. Box 450
Middletown, PA 17057

Dear Mr. Standerfer:

Subject: Organization Plan Change No. 16

Reference: Letter 4410-87-L-0094, F. Standerfer to U. S. Nuclear
Regulatory Commission Document Control Desk, TMI-2 Organization
Plan-Revision 16, dated June 19, 1987

We have reviewed your proposed revision 16 to the TMI-2 Organization Plan. This revision incorporates a GPU Nuclear Corporation reorganization with no direct impact on the cleanup activities at TMI-2. It is a realignment of functional responsibilities at the corporate level.

We find that the change will not eliminate vital positions or functions, and it will not change the personnel qualification requirements for these positions. We therefore approve your proposed organization plan revision 16. The enclosed revised plan and Figure 1.1 should be substituted for the existing pages. The currently approved figure 1.2 is revision 17 as approved by our letter of September 1, 1987.

Sincerely,

/s/ John A. Thomas for

William U. Travers, Director
TMI-2 Cleanup Project Directorate

Enclosure: As stated
