Dear Mr. Arnold:

Enclosed for your information is a copy of Revision 1 to NUREG-0698, "NRC Plan for Cleanup Operations at TMI-2" which we have just issued. A number of significant developments related to the cleanup have occurred since the original Plan was issued in July 1980 calling for an update of the Plan to reflect those developments. I believe you will be interested in the discussion on our review procedure on cleanup operations given in Section 3 and will find the information in the revised Plan to be useful.

Sincerely,
