Docket No. 50-320

GPU Nuclear Corporation
ATTN: Mr. F. Standerfer
Director of TMI-2
P. O. Box 480
Middletown, Pennsylvania 17057

Dear Mr. Standerfer

Subject: Resident Inspector Visibility

I would like to ask for your cooperation in increasing the NRC resident inspectors' visibility at your site. I would like to accomplish that by better defining the role of the resident inspector directly to your employees and contractors.

The method we plan to implement throughout Region I is the showing of a videotaped presentation of the Resident Inspector during General Employee Training (GET). The presentation is less than 10 minutes in length. Your incorporation of the tape into the GET agenda would be greatly appreciated. A copy of the videotape will be given to you shortly.

If you have any objection, or if after viewing the tape you have any concerns, please feel free to contact me.

Sincerely,
