FROM: Samuel J. Chilk, Secretary

SUBJECT: STAFF REQUIREMENTS - MEETING WITH THE ADVISORY PANEL
FOR THE DECONTAMINATION OF TMI-2, 1:30 P.M.,
TUESDAY, MARCH 23, 1982, COMMISSIONERS' CONFERENCE
ROOM, D.C. OFFICE (OPEN TO PUBLIC ATTENDANCE)

The Commission was briefed by the Advisory Panel for the Decontamination of Three Mile Island Unit 2.

The Panel recommended that the Commission adopt the recommendations contained in its February 20, 1982 letter and that the Commission:

1. encourage the White House to appoint a staff official as a project officer to facilitate a plan for the decontamination of Three Mile Island Unit 2;
2. have its staff clarify the EEI offer to provide \$192 million towards decontamination of Three Mile Island Unit 2 and determine whether EEI can commit this money or whether the offer was conditioned on the passage of legislation or approval of other entities, either public or private;
3. encourage a stronger NRC commitment toward resolving the decontamination problem;
4. continue the Advisory Panel in existence and provide it guidance with respect to its future activities; and
5. hold a public meeting in Harrisburg, possibly in the Forum.

The Commission requested that:

1. the portions of the transcript of this meeting concerning TMI-1 be made available to the parties to the TMI-1 restart proceeding (for comment); and (OGC) (SECY Suspense: 3/29/82)
2. NRC staff assist the Panel to prepare summaries of their meetings so the Commission might be informed more expeditiously. (EDO) (SECY Suspense: 4/26/82)

Subsequent to the meeting, the Chairman requested staff to:

1. provide recommendations on what actions the Commission should take as a result of the TMI-2 Advisory Panel's (a) written report, and (b) the proposals presented at the meeting; and
2. provide a draft response from the Commission to the Panel.
