

OFFICE OF THE
SECRETARY
 UNITED STATES
 NUCLEAR REGULATORY COMMISSION
 WASHINGTON, D.C. 20555

March 10, 1981

MEMORANDUM FOR: William J. Dircks, Exec Dir for Operations

FROM: Samuel J. Chilk, Secretary 

SUBJECT: STAFF REQUIREMENTS - BRIEFING ON FINAL PROGRAMMATIC ENVIRONMENTAL IMPACT STATEMENT ON TMI (See SECY-81-133), 2:05 P.M., MONDAY, MARCH 9, 1981, COMMISSIONERS' CONFERENCE ROOM, D. C. OFFICE (OPEN TO PUBLIC ATTENDANCE)

The Commission was briefed on the contents of the PEIS on the decontamination of TMI-2. The Commission deferred final decision on issuance of a policy statement on the PEIS pending an additional chance to review the PEIS. The Commissioners will circulate their comments to a proposed policy statement.

The Commission requested that they be provided with proposed language to delegate, to the Director, NRR, the necessary authority to proceed with authorization of the cleanup steps at TMI-2. (EDO)(SECY Suspense: 3/11/81).
