Docket No. 50-320

Mr. F. R. Standerfer
Vice President/Director
Three Mile Island Unit 2
GPU Nuclear Corporation
P. O. Box 480
Middletown, PA 17057

Dear Mr. Standerfer:

Subject: Corporate Radiation Protection Plan

Reference: Letter 4410-85-L-0253, F. R. Standerfer to W. D. Travers, GPU Nuclear Corporate Radiation Protection Plan, dated December 27, 1985

The referenced letter forwarded a revised Radiation Protection Plan for TMI Unit 2 for NRC review and approval. We have completed our review of this Plan and we conclude that the Plan is acceptable with minor clarifications. In a meeting with Mr. Curtis Cowgill of my staff, Mr. James Hildebrand of your staff agreed to incorporate the following changes to resolve our comments.

- (1) A description of the major elements of the GPU Nuclear "ALARA Program" in Section 2.
- (2) The specification in Section 8.0 of contamination limits in units of dpm/100cm².
- (3) Clarification of the references to various portions of Regulatory Guide 1.33 in Section 1.4. It is our understanding that the references will include Appendix A, paragraphs 7, 8.a., 8.b.(1)(aa) and (bb), and 8.b.(2)(a) and (bb).
- (4) The specification of the major elements of "Category I training" in Section 5.0.
